IDHS "Warning Level" Disaster Declaration in Boone County

The Boone County Commissioners, using their Executive Powers per state statute, declared a Disaster Declaration for Boone County Indiana from 5:00 PM February 3, 2022 through 2:00 PM February 4, 2022.

This Declaration restricted public travel in order to allow all public safety to focus their efforts on emergency services. Non-emergency traffic requires additional resources and manpower that was better utilized for emergency responses.

The County Commissioners, Boone County Highway, Boone County Emergency Management Agency and Boone County Sheriff's Office thank the public and industry and businesses who supported this order and operated with limited staffing.

Respectfully,

Mike Martin Director

Indiana Department of Homeland Security County Travel Status for
